Annual Report 2017-2018

I will surely bless you and make your descendants as numerous as the stars in the sky and as the sand on the seashore. Genesis 22:17 (NIV)

Dave Adamson, photographer/devotional author, says this about God's promise to Abraham:

"We read this as western Christians and think it's about numbers . . . but it's actually about community. You see, Abraham knew two types of sand: the sand of the desert and the sand on the seashore. The desert sand is dry, so if you pick up a handful it slips through your fingers. The sand at the seashore, however sticks together because it's kept wet by what the Jews would call the "living water" of the ocean. This is God's promise to Abraham. God designed His followers to be like sand at the seashore -- to stick together and support each other through Jesus, who is the Living Water."

Over this past year I have witnessed the Living Water "stick together" our community of believers. These relationships and our commonality in serving Him are our Church's foundation. The next pages tell of the fruit, tell of how we have connected as a church family. Enjoy this look at the facts and figures. You will see the results of another year where God's faithfulness combines with our willingness to step out, following Him.

I have the privilege of seeing this in a variety of settings. I am thankful for our staff. We meet regularly to plan events and review those just completed, keeping before us this goal of connection. As usual, there are some changes in the past twelve months, with Laura Courtney starting a new life chapter as a mom, and Paul Zearfoss stepping away to spend more time with aging parents. We welcome Christina Hice in the front office and await the next person to help with the building needs.

The leadership boards (elders and deacons) were the starting point in the past year for the Sunday morning survey (November 2017). A desire to connect with and hear from the Body concerning our church life has resulted in analysis that continues to drive decisions into the coming year (the one service summer format for worship, the "dream" concept for our budget process 2018-19). I am thankful for the members of these boards who make themselves available for regular (and irregular?) meeting times to complete these tasks.

I see other, less official ways of connection happening throughout the past year. I have the privilege of being with families in hospital and home settings, when difficult issues are pressing into life. I hear comments and see the results of connection within this body of Christ that provides life-strengthening friendship. I pray for the coming year to provide increased examples of God's intervention through and because of our connection.

Will you join me? Let's make ourselves available. Our body and our community await the results of this group of individuals serving and worshipping Christ together in this place. I look forward to seeing what He has in store. It is a blessing to serve alongside each and every one in this Body of Christ.

Pastor Todd

Today's Stock Market Report

Helium was up, feathers were down. Paper was stationary. Fluorescent tubing was dimmed in light trading. Knives were up sharply. A cow steered into a bull market. Pencils lost a few points. Hiking equipment was trailing. Elevators rose, while escalators continued on their slow decline. Weights were up in heavy trading. Light switches were off. Mining equipment hit rock bottom. Diapers remained unchanged. Shipping lines stayed at an even keel. The market for raisins dried up. Coca-Cola fizzled. Caterpillar stock inched up a bit. Balloon prices were inflated. And batteries exploded in an attempt to recharge the market.

Now this is sometimes the way the world works. Looking at the here and now. But, as Christians, we ought not be following the world leadership. Oh, yes, we are to be in the world, but not OF the world. Be that as it may, this is an annual report -- so let's look at the past year and learn for next year.

God has been very good to us here at CABC, AMEN! We ended the year with many things to be thankful for. God's grace was sufficient! God's love was there every hour of every day! I could go on and on and fill a volume with the many blessings that we have received from God.

In the area of ministry that I am charged with, it has been my privilege to visit in many homes, helping out when needed, anywhere and everywhere I can. I have filled the pulpit on a couple of occasions, sharing what God has placed on my heart. I have had the opportunity to share at several funerals of members of the congregation. I have lost count of the times God has called upon me to be a part of the lives of those in trouble, those who needed a Word from God, for those who were seeking to know Him better and to make Him better known, and thus a Word from His Book was the order of the day. What a joy it has been to lead two classes on marriage; the response from those who attended was very encouraging.

All in all, I have sought to be where God could use me each day, enjoying the ministry He has given me among such fine examples of the Christian faith here at CABC.

It is my prayer that we will see God do even greater things in the next year, and that we will be found faithful to His wonderful Name. Please seek to find ways to become more involved in His ministry at CABC, inviting others to come alongside you as you seek to serve our Lord and receive His blessings each and every day.

I close with the words from a classic hymn: "Turn your eyes upon Jesus, look full into His wonderful face, and the things of earth will grow strangely dim in the light of His glory and grace."

Associate Pastor Bob Coddington

Keep looking UP! "To our God and Father be glory forever and ever. Amen." Philippians 4:20

Elder Board

As I sit here and think about what to write, I think about my time on the Elder Board. Looking back, I started January 9, 2014 ... WOW, that seems like a long time ago! I must say it has been a growing time for me personally. I have had the privilege to work with and learn from many others. I never expected to end up serving as the Moderating Elder; I had a good coach and mentor, Herman Crawford, and he made everything seem doable. Thank you everyone for your vote of confidence -- I will do my best on your behalf for this year.

As we look back on the last year, we see our fully-staffed office changing again. Our former administrator, Laura, has expanded her family and is enjoying time with her newborn. Christina Hice is the new face in the office, and everyone speaks very highly of her. Thank you, Christina, for filling this position. CABC is in search of a new part-time custodian to help Harold take care of the church facility, as Paul is taking some time to assist in the care of his parents.

You have heard Pastor Todd speak of the theme "Connection". At the Elder meeting, we talk about keeping everyone connected. How do we connect with our neighbors and the community around us? I would challenge you to connect with those in your walk. Let them see the light in your life. There are many opportunities to connect at CABC also -- you may connect through a small group or a committee. The commitment does not need to be long term, just take a test drive and help out for a time or two. You will meet new people and make new friends among those serving with you, and you will be blessed.

We have welcomed several new members into the church family this year through our "Getting To Know CABC" class. Our Pastors have had the pleasure of baptizing several people making a public confession of faith.

As we move to one service for the summer, my prayer is that I continue to see you. May I suggest you try the School of Christian Living? I find these classes very interesting and I like the small group setting. Thanks to all who have worshiped with us through this past year and supported CABC; I ask that you would keep Pastor Todd and the staff in prayer as we move into another year. We face challenges no different than other years. Pray for the leadership of the church and the ministry committees as they work to accomplish God's purpose in the coming year.

Prayerfully submitted,

Randy Kessler

But if we walk in the light, as He is in the light, we have fellowship with one another, and the blood of Jesus, His Son, purifies us of all sin. 1 John 1:7

Praise & Worship

This has been a busy year in the life of our church, and it's been no different in our music ministry. We have added new volunteers to our worship teams and expanded our worship leaders. Deb Trojak and Whitney Rohrbaugh have led our congregation in worship this past year, and I am so thankful for them and all our volunteers!

We also have been getting together as worship team members during scheduled Worship Workshops a few times during the year. We have used these times to connect in the Word as well as through song.

Sunday Services continue to be planned by a Creative Team (Pastor Todd, Pastor Josh, Rick Barnes and Laura Enslen) that meet multiple times a month to plan themes, connect sermons and songs together, and to ultimately submit to the Lord each Sunday morning service, that He would have His way and use us to minister each week. We are humbled and thankful to be used by Him. I pray you will continue to connect in our church body each week, and feel His presence here among us.

Spotlight on the flute

Although a common instrument in concert bands and marching bands, the flute has been unique to our music team at CABC over the past years thanks to our Pastor's wife, Lori Witmer. We see this instrument almost weekly in worship adding beautiful melodies to our songs. The flute is categorized as a woodwind instrument and the sounds are made from the flow of air across the opening at the mouth piece. The flutist (or flautist) can then change the notes and pitches based on closing and opening holes in the body of the instrument as well as the air blown into the flute.

486 songs sung during Sunday services

"Remember", "Rescuer" and "Take Courage" were the most-sung worship songs

145 songs used in the worship services

14 songs were new to the congregation "The Lion and the Lamb", "This I Believe (The Creed), "O Praise the Name" and "All My Hope" were the favorites!

11 the number of times choirs sang (adult, children & small group)

30+ Volunteers served on Sunday worship teams

1 HUGE thank you to all the volunteers for their talent and commitment to music at CABC!

"For where two or three are gathered in my name, there am I with them." Matthew 18:20

AV Corner

We held an AV training this past year as a part of our worship workshops. Thank you to those who attended and have shown interest in volunteering in this capacity! Look for more ways to be a part of this team of volunteers. The sound and visuals that are produced on a Sunday morning are enchanced greatly by this team... if you have an ear for music, please consider helping! 43 graphics for Maker Fun Factory VBS

4 Support Groups met over the course of the year: Circle of Grace, Cancer Support Group, Woven Ministry, and Depression Support Group

How does this keep happening? It feels like there hasn't been any time between writing last year's report and this one. It has been a fast year, but a good one.

Connection has been the word that seemed to "connect" us throughout the year of questions and growth. I think what makes our church unique is the family-feel that continues to invite and welcome people into ours and God's family. Our goal has been to connect better in many different areas of the church. I think we have done well with this goal, but also know there is still work to be done. Connection remains our goal as we prepare for the ministry God has for us in the coming year.

The youth ministry graduated a lot of senior leaders last year and yet the younger youth have stepped up in amazing ways. We celebrated the baptisms of four youth in June of this year and saw many take further steps in their walk with Jesus this year. The youth even convinced me to do an Irish jig as a part of one of our best youth ministry fundraisers in my time here.

Our small group ministry has continued to be a strong place of growth and encouragement for those who are participating. We had three new groups start this year and we pray that more might form in the coming year to help connect our congregation on a deeper level. One of those new groups this year was focused on the young adults of our church. This group, as with most of our ministries, has room to grow, but we are already seeing the positive impact on the lives of this age group.

My prayer is that we continue to learn from this past year as we seek what God has for us in the next one. It is good to look back, but it should not keep us from moving forward into ministry we have been called to. Will you connect with us as we serve our Savior in the coming year? I know I look forward to doing just that with many of you this year.

Your brother in Christ,

Pastor Joshua Trojak

CABC Preschool Crystal Johnson

By the time this report will be printed and read, CABC Preschool will have just completed its 7th year of operation! I cannot believe how quickly the time has flown by. Each year in preschool, we add a little something new to the curriculum, something to the classroom, or perhaps both. Each year we grow a little more in quantity and quality. The 2017-2018 school year was no different.

This year, we were able to reach out to 28 children, program-wide. A total of 18 4/5-year-olds graduated May 18, 2018 and will head off to kindergarten in the fall. Ten kiddos were in the three-year-old class and will return to CABC Preschool in the fall for their final year before they head off on the big kindergarten adventure! Of those 28 children, nine are considered CABCers either as regular attenders or grandchildren of regular CABC attenders. Eight of those kid-dos have mommies that attend our MOPs program, and five of them attend AWANA clubs on Wednesday evenings!

In September 2017, CABC Preschool went on its first field trip to Brown's Orchard. Each child had a parent or responsible adult accompany him and we learned all about bees and honey, apple orchards and how apples grow. We tasted fresh, cold apple cider AND got to pick our own apple from a tree in the orchard. Brown's also gave us two big bags of apples to make a batch of our own applesauce, which turned out deliciously!

Our Friday Friends also had a new experience: MUSIC TIME! Miss Jess (Jess Slenker) and Miss Laura (Laura Enslen) shared their musical talents two Friday mornings a month. The kiddos LOVED having music time and learning about the piano, guitar, and other instruments and praising Jesus with their voices. I am so grateful and thank Jess and Laura for taking time out of their schedules to spend time with us and help us worship and grow in Jesus through music!

This year, we also added a special event for Mommies and Grandmas to celebrate Mother's Day. The preschoolers worked hard learning a few songs and making special Mother's Day gifts for their Mommies. They then held a Mother's Day Tea Party, setting the tables and making finger foods for the party. Mommies and Grandmas came in and had a lovely snack with us!

May 5 we held our fourth annual Trike-a-Thon to benefit St. Jude Children's Research Hospital. We learned to ride our bikes safely AND to help others. The weather was beautiful and we were able to set up our obstacle course outside for the first time in two years. Through sponsors and donations, we were able to raise \$3,000.00 to send to St. Jude to help other children fight childhood cancers and other diseases. What a blessing!

Miss Crystal joined the National Association for the Education of Young Children to receive professional development hours as well as become a better teacher to offer the highest quality program possible to families and preschool children. Miss Vicky completed her second year with us, making sure that everything ran smoothly. She is a valued asset to CABC Preschool and the children are blessed to have her in their lives.

As of May 2018, CABC Preschool already has two full classes and is filling up a third class, which is already about half full for the next school year (2018-2019)! Hopefully and prayerfully, we will have three full classes next year (12 is considered to be full). While we do focus on kindergarten preparation and academic skills, we also plant the seeds of faith in all of those little hearts as well. With three full classes next year, 36 children will take home the story of Christ's birth (the moment Heaven came to Earth), the real reason for Easter, the crucifixion and resurrection, and so much more about the God who loves them.

60 ladies of all ages enjoyed a 3-course tea served by

10of the kindest men and boys

Men's Ministry Michael Freeman

The Men's Ministry Team has offered a variety of activities and studies to encourage the men of CABC to take an active role in their Christian growth and service.

This year, Michael Freeman offered an evening fellowship meal and Bible study on the lesser examined parables of Christ. Newly branded as "The King's Table," this monthly study was widely received by a group of about twenty men, from ninth grade through retirees, as they were challenged to look at topics such as heaven, the cost of discipleship, and what followers of Christ are to look like. The men participated in guided discussions with the practical follow-up of practicing each lesson during the weeks leading up to the next study.

The men also had an opportunity to meet monthly for a prayer breakfast at Chow Down restaurant. Men participated in serving the Women's Tea in October and joined in Christmas caroling with Women's Ministry at Hanover Hall. The men continued to delight the women of CABC with a beautiful song for Mother's Day.

Men's Ministry looks forward to planning the future of serving the men of CABC. Men's Ministry is hoping to create a plan for next year that encourages more men to join together in fellowship (cross-generationally), while growing them as spiritual leaders in the home and in the church as Christ calls each of us to use our time, talents, and gifts for His glory.

5 local ministries where your presence can make a difference! -Tender Care -God's Meal Barrel -LifePath Ministries -Youth for Christ -AGL

Most of our donated funds help children and families obtain the very basics we take for granted:

-food & clothing

- -shelter (especially for the orphans)
- -teachers and schools
- -God's Word (both instruction and books)
- -a safer environment

Countless diapers provided to many young mothers through Tender Care

Dr. William Scott

Early 2018 witnessed the passing of Dr. William Scott - a remarkable man, called by the Lord to the people of India. Often described as the "Billy Graham of India", Dr. Scott's mission to provide God's Word (Bibles) to the people there has resulted in tens of thousands of lives coming to the Lord. What has been established in India over the five decades of Dr. Scott's work and dedication will continue to bring the good news for years to come.

1 person needed to coordinate a regular diaper program between CABC and this ministry...let us know if you feel called to help with this need!

Two more blessings...

-This year saw visitors from CABC to the Dominican Republic actually share time and meals inside the homes of the people we serve. This was very big, and so humbling.

-You can hear Pastor Sasha on a radio station out of Philadelphia -- he reaches a population of almost 200,000 Russians. (Brush up on your Russian to understand the broadcasts!)

Shout out to our 6 current SR Members:

Elder Rep. Pastor Bob, Don Abbey, Bev Hess, Karen Wood and Bethanie Freeman.

and **3 past members** Herman Crawford,

Randy Kessler and Pat Bentzel.

It has been a busy but productive year for

SRC. I appreciate so much the time and value each committee member brought to the tasks being worked.

*If you would like to know more about serving on SRC please contact a current member. We look forward to hearing from you!
